

Package: hubverse (via r-universe)

November 24, 2024

Title Easily Install and Load the 'hubverse'

Version 0.0.1.0000

Description A collection of packages that enables collaborative modeling exercises through a unified framework for aggregating, visualizing, and evaluating forecasts. This package is designed to make it easy to install and load multiple 'hubverse' packages in a single step. Learn more at <https://hubverse.io/en/latest/index.html>.
